

Brockville Farmers' Market Buskers Policy

If you are a busker and want to make a few dollars playing on the Brockville Farmers' Market - you are welcome to perform either on the street or in a designated stand site.

Street performances are free and we encourage the busker to play for an hour or so and move freely along the market site where the vendors are located.

Street buskers must first sign in with Marsha Countryman and be prepared to tell her what kind of performance you are doing and do not disturb the business of the market vendors.

She will decide if it is appropriate for the market and advise you where you can perform.

Vendor designated performances can either be on a full time vendor basis or part-time basis.

Assignment of the your vendor space will be given upon approval of your busker application to perform at the Market.
